## RED CROSS DRIVE FOR MEMBERSHIP

Local Chairmen of Various Districts Report Splendid Response.

The Red Cross membership drive is in full swing throughout Sonoma Valley under the able direction of the following leaders: Mrs. L. H. Green, Mrs. C. E. Johnson, George Cause, Miss Edna Cooper, Ralph Ring, Mrs. Rovai, Miss Dowdall, Mrs. Merritt of Glen Ellen, Dr. Butler of Eldridge and Mrs. Bailey of Kenwood. The enrollment this year is expected to exceed all previous ones, the community service work and public nurse adding interest in the work of the organization.

Every family should be represented in the Red Cross with as many memberships as can be afforded.

## TURKEY SHOOT BEFORE THANKSGIVING

A turkey shoot is being arranged for the Sunday before Thanksgiving the proceeds of which will go toward the fire engine fund. The turkey shoot will be held at the Emparan ranch. Many fine fat gobblers and turkey hens will be furnished for the big event.

Anyone who desires to help out on the fire engine purchase and have any birds to donate may notify the committee, Messrs. Emparan, Harris and Murphy. Turkeys, geese, ducks and chickens will be acceptable.

Watch these columns for more particulars in regard to the turkey shoot.

Z. Lane is down from the North and will remain several months at his orchard home near town.

The Sonoma Feed Store are making extensive improvements at their warehouse near the depot. The business has grown steadily under the efficient management of E. T. Lindley. Louis Kunde, of Wildwood Vineyards has just finished making wine.

## TO SCAREIFY THE STREETS OF SONOMA

In order to put the streets of town in traveling condition for the winter, the city trustees have availed themselves of the generous offer of Supervisor Weiss and now have the scrapper on the ground to do the work. The streets have been in a deplorable condition for some time past and as it will be spring before the permanent paving can be constructed it was decided to make temporary repairs.

Motorists have suffered great inconvenience and actual damage to their cars from the chuck holes and ruts in our main thoroughfares, and have broken plate glass windows in the business district, several times, causing much loss and the cancellation of plate glass insurance policies.

The street committee has been waiting for the rain or the streets would have been put in condition sooner.

Mrs. Miller, sister of Conrad Kiser and Mrs. T. Jackober has returned to Switzerland where she will make her future home. Mrs. Miller resided in the old country for many years and then came to California where she had been living for the past nine years.

Contractor Fred Bulotti has completed a good job of painting the roof of the Sonoma Valley Bank.

Mrs. Leland Brubeck having encountered a little of Iowa's real winter weather is expected back to sunny California very shortly. Mr. Brubeck is looking for his family about the 20th of this month.

The Ladies Aid Society of the M. E. Church will meet on Thursday, Nov. 18 in the parlors of the church and will be entertained by Mrs. J. Stockwell and Mrs. W. Minkler who desire a large attendance.

Miss Lucile Carson who recently returned from a trip to her father's folks in the southern states has been up from San Francisco on a vacation at Boyes Springs.

## DAIRYMAN KILLED AS TRAIN HITS HIS AUTO

Caesar Acquistapace Victim of Tragic Death Near Former Tate Ranch Where He Resided.

Caesar Acquistapace, a highly regarded and prosperous dairyman of this valley met a tragic death last Saturday morning when the automobile he was driving from town stalled on a railroad crossing near the Wm. Helberg ranch and was struck by an S. P. train. Acquistapace and the car were dragged for 300 feet down the track before the train could be brought to a stop, and the body of the unfortunate man was extricated from the wreck with difficulty.

The deputy coroner H. F. Bates took charge of the badly mutilated remains and Coroner Phillips summoned. At an inquest the verdict was that Acquistapace had come to his death through unavoidable accident.

About two years ago Caesar Acquistapace and his brother, James, brother the Tate ranch for which they paid about \$50,000. They stocked it for a dairy and were prospering in their business.

Deceased leaves a mother, in his native land, Italy, and other relatives. The tragic death of the well known dairyman is generally regretted by the community where he had a splendid reputation for integrity and square and upright dealing in all business matters.

The funeral took place Monday from St. Francis Catholic Church and was largely attended.

Mr. and Mrs. Joseph Vella have purchased the Clerici bungalow on Napa Street and will hand-somely furnish it and make it their home.

Mrs. Henry Wicker and her friend, Mrs. Sidney Lydiard of Gilroy have been enjoying a visit in San Mateo county and in San Francisco.

## "IN THE GOOD OLD DAYS"

Is the title of the drama, now being rehearsed for presentation on Friday evening, Nov. 19th at the Woman's Clubhouse.

This play was selected by the Ladies Aid Society of the Congregational Church as being in keeping with this year's Pilgrim Tercentenary celebration. Appropriate music and address is being arranged, so that a most enjoyable evening is assured. A fancy work table, and a plant and flower booth, as well as the usual refreshment booths, are in the hands of able leaders. Don't forget the date, November 19th, 1920.

## HIGH SCHOOL NOTES

The colors of the Sonoma Valley Union High School were changed from gold and white to blue and red at a recent meeting of the Student Body.

The daily attendance average for the week of Nov. 1 to Nov. 8 was 85.7 per cent, the highest in three years for any one week.

The Orchestra practices twice a week under the direction of the Rev. Burchett. The members are interested in their work, and there is every reason to believe that they will make a success of their undertaking.

Mr. and Mrs. Otto Wagner contemplate a trip to Southern California.

Fulton Dal Porto, well known Sonoma resident and ex-service man has been admitted to citizenship.

Encouraging news of the improvement in health of Mrs. L. S. Simmons has been received by the family.

Jack Valente of San Francisco was in town Wednesday greeting old friends and visiting his folks.

Rev. J. F. Byrne has been in San Francisco visiting his mother who has been ill and under medical treatment in that city.

Stewart Potter of U. C. was here for Armistice Day.

## CLARENCE NAUMAN VICTIM OF PNEUMONIA

Dies After Brave Fight For Life at San Francisco Home on Monday.

Clarence F. Nauman, prominent commission merchant of San Francisco, and son-in-law of Mrs. Amelia Bates of this place, died at his home in the metropolis Monday night from double pneumonia.

Three doctors and skilled nurses had battled for the life of the patient some days prior to his death but to no avail and Nauman gave to the end, passed away Monday night surrounded by his loved ones. Still in the prime of life, keenly interested in civic affairs, a natural sportsman, and clever business man, his death is most untimely, although for some years past he had been warned to safeguard his health.

Nauman was well known in Sonoma where for many years, he visited and where about eighteen years ago he married Theo Bates, sister of Mrs. W. B. Hays and Henry P. Bates.

Three children were born to the couple, two daughters, Irene and Marie, age 16 and 11, and a son, Jack, age 14 years.

Deceased at one time held the Pacific Coast championship for his skill as a trapshooter and was a prominent member of the Rotarian Club of San Francisco and of the Masonic Order.

His funeral took place on Wednesday under the auspices of the Masons and was most impressive.

Besides the widow and three children, a brother, Howard, and a number of step brothers are left to mourn deceased.

Nauman's father died early in the Spring and affairs of father and son are said to have been complicated by the marriage of the father some months prior to his death. The senior Nauman and Clarence F. Nauman were partners in the pioneer commission firm of Clay Street.

## GREAT INTEREST SHOWN IN FIRE ENGINE PURCHASE

Money continues to come in to the committee collecting funds for the new Waterous pump and chemical engine which is now being made ready for shipment to Sonoma. The donations now aggregate over \$3000 and the drive for the remaining \$800 necessary to pay for fire fighting equipment will be vigorously taken up by the Business Men's Association.

Many of the local fraternal orders and outside residents have shown a generous and fine spirit in cooperating with local property owners in the great work of giving Sonoma protection from the fire demon. Among the splendid donations of the past week is \$50 voted by Sonoma Lodge of the United Ancient Order of Druids.

F. J. of El Verano shows a neighborly and generous spirit by aiding Sonoma. W. Bundschu who lives out of town also came generously forward with a \$10 donation. Dr. D. Van Amringe of Geyserville has sent his check for \$5.00.

Mr. and Mrs. L. H. Green are among the past week's donors, \$20 being their substantial contribution.

At a meeting of the Y. M. I. Sonoma Council donated \$25.

The Native Daughters of the Golden West voted \$30 at their meeting last Monday night.

If you have not yet placed your name on the roll of honor for Sonoma's fire engine do so at once.

There will be a thrill of pride and satisfaction to know that you have done your part whatever hour of the day or night the fire alarm calls out the engine to put up a fight against menacing flames perhaps near your own home or that of your friends.

Response to this good cause is a test of good citizen-ship. Do not wait to have anyone call on you for your donation. Either send your check or the equivalent pledge at once.

The fire engine is deemed the best that can be bought in the market for a city the size of Sonoma and is guaranteed to be a model of efficiency. It is strictly stipulated in the contract that if the engine gives entire satisfaction after thorough demonstration then and only then will the money for it be paid. From the many answers received from communities now owning the Waterous engine, Sonoma's committee has thorough confidence in the apparatus selected for our city.

Mr. and Mrs. Bloss Keechler were charivariied by three different parties of friends last week and all were hospitably entertained at the pretty home of the newlyweds. Many handsome wedding presents were received by the young couple and the groom's gift to his bride was a handsome player piano.

Mrs. Bainbridge, aged mother of Dr. Geo. O'Donnell, died in San Francisco the past week.

Mr. and Mrs. Jack Kelly and little son, Charles who have been making their home at Boyes Springs have gone to San Francisco to reside.

## MASONIC LODGE OBSERVES ARMISTICE DAY

Nathan Coombs Delivers Fine Address and Good Program Is Enjoyed.

The Masons and Eastern Stars celebrated Armistice Day Thursday by the presentation of a patriotic program at Masonic Hall in the evening. The hall was beautifully decorated in American flags and Nathan Coombs, the gifted orator of Napa county, came over and delivered a splendid address.

The program opened with Community singing under the direction of Mrs. W. C. Wilson who proved an inspiring and delightful leader. The gifted young matron then sang a solo, "My Own United States, and for an encore the always popular, "Mighty Lak a Rose". Geo. Anzore ex-service man, gave two trombone numbers and there were remarks by Prof. L. H. Golton and selections on the Pathe Actuelle directed by Al Stein.

Mr. Coombs, a typical American, and himself an ex-service man reviewed the events leading up to the world war, its progress, end and present problems of reconstruction. He proved an easy, fluent and engaging talker and his address was thoroughly enjoyed by everyone present.

After the formal program and the singing of the national anthem, there was a pleasant social time in which cards, dancing and games were featured. A cafeteria style supper was served at midnight.

Prof. Golton, Mr. and Mrs. Burmeister and others of the committee won deserved praise for arranging the evening in honor of the signing of the armistice.

## LOCAL STORE FEATURES SALE

G. H. Holz began a money saving sale for house-wives yesterday and by taking advantage of reduced prices and helping to clear out present stock the newer goods at new prices will be featured. The sale will be in progress several days and offers some excellent buys.

## PIONEER RESIDENT TRIES TO END HIS LIFE

Jake Meyer of Vineburg Drinks Poison, but is Saved From Death.

Jake Meyer, a pioneer resident of Vineburg and known to thousands of travelers on the Northwestern railroad as Santa Claus because of his flowing beard and resemblance to the patron saint of Christmas tried to end his life last Saturday owing to ill health. Meyer drank a potion containing strychnine after making disposition of all his effects. The quantity of poison taken however was not sufficient to have fatal effect and with prompt treatment the despondent pioneer rallied.

Some months ago he suffered a stroke of paralysis and since that time has been brooding over his condition. He has also had considerable pain and it is believed he decided to end it all.

Mr. Meyer has resided near Vineburg station for many years and is a familiar figure in that vicinity. In former years he took an active part in politics and debating societies in this valley.

## MRS. EMMA FETTERS IS SUED FOR DAMAGES

Suit was filed Monday by Rachael Siegan against Mrs. Emma Feters for \$5250 alleged to be due for medical attention, physicians' services and damages as the result of an accident which occurred at Feters Springs August 14 last, when Mrs. Siegan slipped and fell on the board walk in front of the moving picture theatre at the resort, and says she wrenched her leg.

The complaint charges that the accident was due to the "negligent and improper construction and maintenance" of the board walk.

## THE WOMEN VOTE, AND SOUNDLY

**THE WOMAN VOTE** over which there was keen speculation just prior to the presidential election did not electrify the nation by anything spectacular or astounding but was recorded with conservatism and was quite like the male vote so far as can be discovered.

Woman herself contended when laying claim to franchise, that she was no different in her citizenship than her brothers and just wanted a chance to express herself at the polls. However many critics contended that she would go up in the air on the least pretext and upset the whole equilibrium of politics. No politician need lose any sleep over this idea henceforth. During the recent pre election days woman was being counted on to make her positive influence felt, but the influence she really exerted was just like the rest of the millions, mostly agreed that the country needed a change and as to the Democratic panacea the league of nations, not showing an appreciable interest in it as an issue, unless we fathom her decided Republicanism by crediting her with a stronger instinct of motherhood and preservation of offspring than more remote idealism. The implanted fear of a call to foreign wars through the League arrangement, perhaps impelled many a woman who had son or brother or husband of military age to want to scrap the League of Nations.

Economic and financial reasons probably did not play the part with women that they did with men who voted to put the county on a different political basis but the male exerted his influence on many no doubt for he has long advised and been looked to for sound opinion. Self reliance on deductions in political matters will not come about soon with our feminine voters. They will doubt their judgment for many moons, sound though it may be.

When it comes to adjusting matters pertaining to labor and capital and registering an opinion on such things as strikes, we believe women can be relied upon for sounder and more reasonable judgment than formerly expressed. Women known the retroactive had effects of strikes and lock outs and have felt the pinch and suffering of long drawn out battles between employers and employees. Arbitration looms as the best arrangement for all parties and will be so ordered when women wishes can be registered on this important social matter.

Some women are too busy vamping to bother with politics and over this kind a lot of uneasiness was felt for with the ballot such were expected to become the prey of low and dangerous politicians. But even this fear was not well founded for even vamps may be advised soundly and well on political matters since it is by no means just the disreputable who are vamped but some of our best citizens.

Take it all in all the woman vote will not be so different from that of the man though her interest will cause her to exert a more telling influence within the domestic circle and to bring into the light and call up for decision problems which might have slumbered unwept or unsung for centuries under the old order of things political.

## LET'S HAVE ACTION ON OUR STATE-HIGHWAY BUILDING

**NOW THAT THE** people of California have voted authority to increase the interest rate in California state highway bonds Sonoma Valley should make its claim good and strong for action on the work laid out between here and Santa Rosa. The public has done everything in its power to aid us in getting this important stretch of road built and now it is strictly up to the State Highway Commission to carry out the public's wishes in the matter.

The lateral from the Napa line to Sonoma's county seat is in a sorry condition and immediate attention to it is imperative.

It is to be hoped that Santa Rosa and Sonoma will unite in strong presentation of our predicament in this road matter now that financial obstacles have been cleared away and that the State Highway Commission will begin work on the road even though it looks as if the money voted would not complete the entire stretch.

If Sonoma Valley can offer modern highway to motorists traveling the Black Point cut-off we can hope to divert some of the traffic this way, otherwise we will continue to be either isolated or roundly cursed by those foolish enough to venture on the present route from Sonoma to Santa Rosa. Action on this proposition means more to Sonoma Valley's immediate prosperity than anything on our calendar.

**THE CALIFORNIA VOTER** has once again expressed his opinion on prohibition and despite the issue raised in the case of the Harris Act Amendment 2 went down to defeat, not from the lawless element in the State by any means. The protest was against the invoking of more laws to enforce justice and against the compounding of crime, a natural result of what was proposed. Gunshooting, spying, spite work and a train of despicable evils would have followed in the work of the attempt to let petty officers into the enforcement ranks. With the flower of the prohibition called into service since prohibition went into effect and with the disappointing results, it does not seem possible that the calling of greater numbers to enforce these laws is going to result much better. The more promiscuous the choosing of snuffers and sleuths the harder the game, for outside of the goodly element is the mere human one where temptation to profit in the thousand and one highly profitable ways open to enforcement officers is apparent.

No, it becomes more and more clear that we will have to go back to the slower but surer process of achieving sobriety by self discipline and temperance. Temples reared in the souls of humans do far more for the advancement of the race than all the soap box oratory in christendom.

**WAR STRIPPED** of its glamour is a cruel hideous monster. In its regalia and trappings with which we clothe it when in the fervor of patriotism, it is almost compelling. When this has subsided we see it in its true aspect. We have just had an instance of the exactions of war in the tragic death of a young man of this community whose life was shattered by the horrors of war but who went to his grave without the semblance of military pomp because Death did not claim him on the field of battle or in any army cantonment. Little does pomp compensate, but it venerates the sommy side of war. When we behold war's victims maimed for life and forgotten or thrown upon life's beach, strewn with countless wrecks after being buffeted about after the maelstrom, it brings home to us the crying need for world peace through the cooperation of all civilized nations.

**EVERYONE SHOULD** participate in the Red Cross membership drive. Aside from its broad charitable aspect, the new phase of community service in which it is a leader makes the organization of great value. The Red Cross is doing much for Sonoma Valley and stands by to give more aid whenever required. Make it strong by joining yourself and interesting your neighbor.

## WORK TO START ON CEMETERY ROAD

**Committee Hands Over Donations To City and Much Needed Improvement Will Go Forward.**

The cemetery road committee which has been collecting funds to improve the road in Mountain cemetery has a sufficient sum in sight to get the work started and with that and in view have turned over the money to the cemetery committee of the Board of City Trustees. The money will augment the amount already in the regular fund and with promises of labor, teams and other help it is hoped to complete the plan to improve Sonoma's silent city. ## SONOMA GRAMMAR SCHOOL HAS RECORD ATTENDANCE

With 260 pupils registered this term at the Sonoma Grammar School and Principal Prestwood expecting more children to come in, the school building is being taxed to capacity and another teacher will no doubt be necessary. Already extra seats had to be ordered for the five rooms now in use and provision for more for new entrants will have to be met.

The Lovell and Wood valley have a number of families with children of school age who are desirous of cooperating with this district so that transportation can be furnished the children to and from school. With the opening of the new state farm at Buena Vista, there will be more children wishing to avail themselves of Sonoma's Schools. The Superintendent of the grounds of this new institution, D. McIntosh, has several children who plan to go to school in Sonoma.

The passage of Amendment 16 at the recent election will make more funds available for our school and its expansion program.

Will Clements, the Sunnyvale orchardist has been in town the past week.

## NOTICE

James A. Vigna, the undersigned having purchased all the interest in the Lovell Valley ranch from his brother John B. Vigna herewith gives notice the partnership existing between them is dissolved and that he will not be responsible for any debts contracted by John Vigna on account of the ranch.

## GEYSERVILLE VOTES \$10,000 MORE FOR HIGH SCHOOL

The election held on the Geyserville high school district for \$10,000 with which to purchase more land for the school lot, pay the balance on building, level the land and buy equipment for school grounds, was carried by a vote of 116 to 27. The new high school was built last summer and is one of the best in the State for a town the size of Geyserville.

## STATUS OF ROAD WORK SHOWN IN REPORT

The status of highway construction in Sonoma county, as it stood the day Lloyd Aldrich left office as county engineer, is contained in a report made by him to be given to the board of supervisors.

The report demonstrates the quantity of work done by him and the number of projects on which he was working.

In the highway division the roads and the amount of work completed: Healdsburg - Forestville, section "B", 2.2 miles grading, 100 per cent; Petaluma-Sonoma, section "A", 4.05 concrete, 33 per cent; Sonoma-State Highway, 1.42 miles concrete, 14 per cent; Sebastopol-Forestville, 4.96 miles grading and graveling, 46 per cent; Healdsburg-Forestville, section "A", 11.75 miles grading and graveling, 1 per cent; Forestville-Guerneville, section "A", 2.079 miles, awarded Oct. 14, grading and graveling, 0 per cent; Graton-Occidental, section "A", 3.268 miles, awarded October 1, grading and graveling, 0 per cent.

Day labor construction and amount completed are: Healdsburg-Napa county line, section "B", 2.54 miles grading, 100 per cent; Healdsburg-Napa county line section "C", 1.48 miles, grading, 83 per cent; Guerneville-Jenner, section "C", .977 miles grading, 84 per cent; Petaluma-Valley Ford, section "A", concrete, 40 per cent; Petaluma-Valley Ford, section "B", 6.311 miles concrete, 60 per cent.

Road Division contracts and amounts completed: New Occidental Road, 3.16 miles grading and graveling, 58 per cent; Guerneville-Korbell, section "A", 1.582 miles grading and graveling, 87 per cent.—Santa Rosa Republican.

## SONOMA GRAMMAR SCHOOL HAS RECORD ATTENDANCE

With 260 pupils registered this term at the Sonoma Grammar School and Principal Prestwood expecting more children to come in, the school building is being taxed to capacity and another teacher will no doubt be necessary. Already extra seats had to be ordered for the five rooms now in use and provision for more for new entrants will have to be met.

The Lovell and Wood valley have a number of families with children of school age who are desirous of cooperating with this district so that transportation can be furnished the children to and from school. With the opening of the new state farm at Buena Vista, there will be more children wishing to avail themselves of Sonoma's Schools. The Superintendent of the grounds of this new institution, D. McIntosh, has several children who plan to go to school in Sonoma.

The passage of Amendment 16 at the recent election will make more funds available for our school and its expansion program.

Will Clements, the Sunnyvale orchardist has been in town the past week.

## NOTICE

James A. Vigna, the undersigned having purchased all the interest in the Lovell Valley ranch from his brother John B. Vigna herewith gives notice the partnership existing between them is dissolved and that he will not be responsible for any debts contracted by John Vigna on account of the ranch.

(Signed) JAMES A. VIGNA  
Dated Oct. 1, 1920.

## Another Royal Suggestion PIES and PASTRIES

From the NEW ROYAL COOK BOOK  
THERE is no further reason for worrying about table variety. The New Royal Cook Book gives new suggestions for every meal every day. The book is so full of surprises there should never be another dull meal in the home.

**Custard Pie**  
1 cup pastry flour  
1/4 teaspoon Royal Baking Powder  
1/4 teaspoon salt  
1/4 cup shortening cold water  
Sift flour, baking powder and salt; add one-half shortening and rub in lightly with fingers; add water slowly until of right consistency to roll out. Roll out very thin; put on in small pieces remaining shortening; fold upper and lower edges in to center; fold sides in to center; fold sides in to center again; roll out thin and put on pie plate.

**Custard**  
3 eggs  
1/2 cup sugar  
1/2 teaspoon salt  
2 cups scalded milk  
1 teaspoon vanilla extract  
Beat eggs, add sugar, salt, flavoring and milk very slowly. Line pie plate with paste made as above, and bake in very hot oven about 10 minutes. Pour custard into the baked crust and bake in moderate oven about 25 minutes. The pie is done when a knife put in center of custard comes out dry.  
Cocoanut Pie is made the same way, adding 1 cup of shredded cocoanut, and using only 2 eggs.

## NEW FIRE ENGINE FOR SANTA ROSA ARRIVES

The big American-La-France combination water and chemical fire engine for the Santa Rosa fire department arrived at the Southern Pacific depot and will be delivered to the city as soon as the representatives in San Francisco can come to Santa Rosa to demonstrate the engine.

The machine has been delayed by freight conditions, its arrival being scheduled originally for the month of June.

With a capacity of 750 gallons of water a minute the engine chemical will prove a big asset to the local fire department, according to Fire Chief William Duncan. The engine is equipped as a hose wagon also besides the pumping apparatus.

The engine cost \$12,500. With its coming the two fire horses will be disposed of.

**FIRE ALARM**

Tuesday evening about 6 o'clock the fire bell called out the people of town and vicinity, an alarm having been turned in from the Titus residence where a blaze started in the interior due to a defective stove pipe.

Before the fire fighters arrived the flames had been extinguished. The damage was nominal.

Mr. and Mrs. Titus recently purchased the house from the E. C. Campbells who are now residing in Arizona.

**THUGS ROB MAYOR OF \$2,000**

Mr. and Mrs. James Long, were robbed in Richmond recently, and \$2,000 worth of valuables were taken from them during their absence. Long is the mayor of Richmond, and he and his good wife were absent from their home Tuesday evening watching the election returns, when some bold marauder entered their home and helped himself to their belongings. Long is an old Sonoma boy.

**FIRE DESTROYS ABSENT OWNERS' PROPERTY**

The cabin and barn on the 17 acre place belonging to J. Johnson, opposite the Volquardsen home southeast of town was destroyed by fire about 4 a. m. on Tuesday. It is presumed that tramps must have caused the blaze as the owner of the place is away most of the time and the property was untenanted. Johnson, the owner, works in the logging camps of Humboldt county and is expected here shortly. He lost all his farming implements, household effects and contents of the barn in the fire which had too big a headway to combat when discovered by neighbors.

**DR. TIMM HERE TODAY AND TOMORROW**

Dr. H. H. Timm, the eye specialist from Oakland will be here at his offices in the Union Hotel today and tomorrow, November 13th and 14th.

Dr. Timm has built up a nice practice in and around Sonoma.

Mrs. A. L. Gale of 1 Verano leaves this week for Michigan and upon her return expects to bring her parents to sunny California to reside.

There will be a pruning demonstration at Morris Levy's orchard at Vineburg Tuesday at 2 o'clock under the direction of the Farm Bureau.

Sonoma has eclipsed Santa Rosa on its sunflowers. Last week Burbank's city prated of its wonderful 12 1-2 foot flowers but up at the Angove ranch near Sonoma, there were sunflowers fully one foot taller and almost the 17 inch diameter of Santa Rosa's much boasted specimen. The Valley of the Moon is a winner on sunflowers too.

"for clean oil in a clean engine"

**MODERN CRANKCASE CLEANING SERVICE**

The motoring public has been quick to appreciate

OUR new Modern Crankcase Cleaning Service for motorists has won immediate approval. Many motorists have come to us for Modern Crankcase Cleaning Service since our first announcement last week.

It shows that motorists want to maintain their cars in perfect running condition, clean and well lubricated, and that they appreciate a service that does the work for them thoroughly and quickly for a nominal charge. It saves them the trouble, time and inconvenience of doing this necessary but dirty work themselves.

No automobile can operate at its best when lubricated with dirty oil, diluted with gasoline. Fresh oil added to the old dirty oil does not help much. The engine and crankcase should be flushed clean at frequent intervals—regularly. It is the only remedy.

The garages listed below are now equipped to do this work thoroughly and quickly for a nominal charge, and in the modern way—using Calol Flushing Oil, the correct cleansing agent—and refilling with Zerolene of the correct grade for your car.

This treatment given once to your engine will result in immediate better performance. Done regularly it will lengthen the life of your car.

TODAY: Bring in your car for Modern Crankcase Cleaning Service.
